

**Safe | Durable | Certified**

**Asist Heating Pad** targets the specific area as per the preference of the patient. Heat is a great pain killer as it leads to an increase in the blood flow around the painful area, which directly leads to tissue healing and faster pain relief. Asist Heating Pad targets the specific area with desired heat. We offer at least eight different models of heating pads with variation in sizes, material, comfort, price etc.

# Asist Health Care

**Electric Heating Pads  
and Belts**

At Asist Health Care we have a complete range of heating Pads, Be it PVC or Fabric, We manufacture all.

**ASIST PVC Heating Pad** is provided with built-in snap on-off cut outs which help in maintaining the temperature. A dipole switch having option of 0-1-2-3 is provided with the heating pad to regulate temperature. Washable cloth cover is provided. Sizes

PVC Regular: 9x12 Inch  
 PVC XL: 10x14 Inch

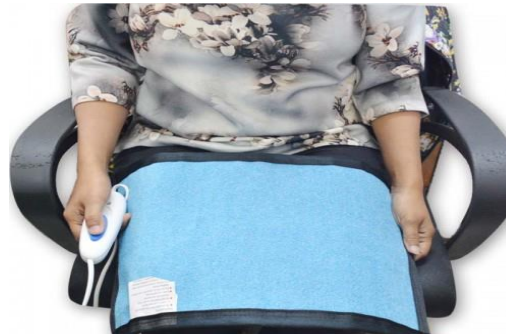

**Master is a Professional Series of Orthopedic Fabric Based Heating Pads.**

The electric heating pad is provided with built in Snap-On-Off/thermal Chip which automatically regulates the pad at set temperature. Gradual and comfortable temperature rise along with desired variation in heat levels makes it a must for every house hold. We offer three sizes as of now in this range. It can be with Velcro belts for comfortable usage or without that too.

Regular: 09x12 Inch  
 X Large: 10x14 Inch  
 XXX-Large: 12x18 Inch

**Master Pro Heating Pads**

**Asist Heating Pad for Mensuration Pain;**

Across Globe Gynecologists Suggest Heat therapy helps deal with Menstrual Cramps. Putting something warm on your lower abdomen, like a heating pad, can help relax your uterine muscle tissue, causing less cramps. "It's such a great therapeutic way of decreasing cramping," says Dr. Shepherd a renowned Gynecologist. Asist Heating Pad comes with a full coverage for the entire abdomen to help you relax. This is a fully Automatic and Well Designed Heating Pad for Difficult days.

X Large: 12x30 Inch  
 XX Large: 15x30 Inch

**NO HOT WATER BURNS**
